Rubix Removals: Expert Tips for a Stress-Free Move

Moving house doesn't have to be stressful! With the right planning, packing, and organisation, your move can be smooth and hassle-free. As a trusted moving company serving Kent, Rubix Removals is here to share our top tips to make your move as seamless as possible.

Planning Your Move

1. Start Early

The secret to a stress-free move is early preparation. As soon as you know you're moving, start decluttering, organising, and creating a plan. Early planning avoids last-minute stress and ensures everything stays on track.

2. Create a Moving Checklist

A moving checklist keeps you in control. Include tasks like notifying utility providers, scheduling your moving day with Rubix Removals, and organizing packing. Need help? Contact us for your free moving checklist!

3. Set a Realistic Budget

Avoid unexpected costs by creating a budget that covers everything: moving supplies, professional movers, cleaning services, and temporary accommodation if needed.

Packing Tips

For a completely stress-free experience, let Rubix Removals handle your packing with our full or part-packing service. Prefer to pack yourself? Follow these steps:

4. Declutter Before You Pack

Moving is the perfect opportunity to lighten your load. Donate, sell, or recycle items you no longer need, making packing faster and your move more cost-efficient.

5. Stock Up on Quality Packing Supplies

Ensure you have sturdy boxes, packing tape, bubble wrap, and markers. Or check out our online box shop.

6. Pack Room by Room

Organise your move by packing one room at a time. Label boxes with their contents and destination room for easy unpacking.

7. Protect Fragile Items

Wrap breakables in bubble wrap or packing paper. For larger furniture or valuables, consider our professional packing services to ensure everything is securely transported.

Organising Your Move

8. Notify Key Contacts
Update your address with banks, insurers, and service providers. Redirect your mail through the post office to avoid missing important correspondence.

9. Prepare for Moving Day
Keep a moving day essentials kit with snacks, drinks, toiletries, and important documents. For families with children or pets, if possible, arrange for them to stay with friends or relatives to minimise stress.
